### ***Vice Chancellor's Message for the upcoming Classes of 2011***

A university is an institution at the highest level of education; where you can study for a degree or conduct research. It produces national leadership in the fields of industry and commerce, science and technology, culture and arts among others. A university thus faces an enormous responsibility of cultivating, nurturing and mentoring youth by employing the best possible human resource and infra structure.

This indeed is a great vision and matching this lofty vision are the unbridled aspirations of administration and faculty of UOG; bolstered up by the unstinting support of the Punjab government, HEC and the people of Punjab at large. With persistent determination and sheer shall, after protracted struggle, UOG skyline, landscape and contours are shaping up from the terrain of saint Hafiz Hayat, like the proverbial phoenix.

With the Noble objective of imparting quality education to young men and women in the heart of Punjab, the university has set for itself immaculate and pristine standards for learning environment. The onus for achieving this goal rests mainly with UOG's administration that is determined to ensure that the faculty and students have all the requisite facilities, for effective continued and uninterrupted learning. It is pertinent to mention here that the entire campus has a round the clock, free of cost wireless Internet connectivity, male and female hostels, faculty residences and pleasant surroundings of the campus.

UOG holds a clear vision for the future; so come and visit its thriving campuses to experience innovative learning! The University strives for quality teaching, outstanding student support, and excellent personal cum professional development. I personally look forward to welcome you in this rapidly growing institution of higher learning.

**Professor Dr Mohammad Nizamuddin**  
**Vice Chancellor**  
**Gujrat, July 2011**
