

### SECTION-A

1- Read the following passage and answer the questions:-

It is an open secret that “Islam” is the ideology of Pakistan. The word “Islam” means to surrender before the will of Almighty God. Allah is the supreme authority and His guidance must be implemented in all spheres of life. His guidance has reached us in the shape of the Holy Qurran and the Sunnah of the Holy Prophet Muhammad (S.A.W). Thus all the Muslims of Pakistan are bound to submit to the injunctions of the Holy Qurran and the Sunnah of the Prophet.

Islam provides guidance for every aspect of man’s life as it is a complete code of life. There is no aspect of life on which Islam has not given its clear guidelines of conduct. Sovereign is only one and that is God. He is the creator of the universe. He is the sustainer and He is the Ruler. Islam does not consider a human being to be capable of being sovereign. In western democracy, the will of people is sovereign but in Islamic democracy even this will of the people is subservient to the will of God. If the will of the people is against the junction of the Holy Qurran and the Sunnah, it is discarded.
