1- Read the following passage and answer the questions:-

Make the best use of life, because if you make a bad use of it, you will be doomed forever. Place the best possible examples before yourself. Let the best minds of the world mould you life and character. Try to set a good example before others. Let your action be such that people should remember you with love after your death. Thus your future depends on the use you make of this life. If you use it well, you will live in heaven of just affection; if you use it ill, you rot in a hell of just condemnation.
